# Specialty Solutions

## Chemical Logistics

Agility Chemical Logistics provides safe, reliable and cost effective freight forwarding, operations management, transport, storage, handling and safety management solutions for the chemical and bulk commodity sectors.

## Fairs & Events

Agility Fairs and Events is one of the world's leading exhibition forwarding specialists, handling more than 1,000 major trade fairs, exhibitions, and events each year. We help make sure the show always goes on – whatever the tight shipment schedules and multiple venue stops require.

## Project Logistics

Agility Project Logistics is a specialty business integrated into Agility's global network. We provide logistics support that includes heavy-lift and out-of-gauge cargo moves for capital projects, oil and gas projects, and marine services. As project managers or expert consultants, we handle logistics planning at all stages of the project cycle from site selection to Pre-FEED, FEED and final execution.
