About Agility

Agility Sri Lanka distinguishes itself as one of the country's largest diversified blue chip parent companies. Leveraging our global network, Agility offers customers end-to-end logistics solutions for their unique requirements. Our customers benefit from operations in the Advantis Free Zone, a tax-free logistics hub, allowing local and foreign businesses to import and re-export goods without associated taxes. We also provide clearing services 24 hours a day, 7 days a week, and 365 days a year in our airport-based warehousing facility.

Services
